ABOUT US

# Trade and logistics, on a single table

PETROCOMEX is an Istanbul-based international trading company operating since 2019. We trade oil and petroleum products, base and lubricant oils, petrochemicals, biodiesel, feedstock and UCO (used cooking oil), carbamide, polymers and non-ferrous metals — importing, exporting and supplying markets across Europe, the Middle East, the Caucasus, Central Asia and Africa. Alongside every trade, we manage the full logistics chain, carrying goods from source to final buyer.
